*We are the people of God
sharing the love of God.*

Things God Won't Ask On The Last Day...

7... God won't ask in what neighborhood you lived. He'll ask how you treated your neighbors.

2... God won't ask the square footage of your house. He'll ask how many people you welcomed into your home.

3... God won't ask about the clothes you had in your closet. He'll ask how many you helped to clothe.

4... God won't ask how many friends you had. He'll ask how many people to whom you were a friend.

The U in Jesus *cont'd.*

(Continued from page 5)

The stones split away, the gold trUmpet blew,
And this word resUrrection is spelled with a U.
When JesUs left earth at His Upward ascension,
He felt there was one thing He just had to mention.
"Go into the world and tell them it's true
That I love them all - Just like I love U."
So many great people are spelled with a U,
Don't they have a right to know JesUs too?
It all depends now on what U will do,
He'd like them to know,
But it all starts with U.

Introducing Our New Pastor: Dr. Phyllis Provost

Born in Philadelphia, PA, Phyllis Provost grew up primarily in the Washington, D.C. area. She holds a bachelor's degree in Elementary Education from Rider University, with an area of concentration in theatre. She received an M.Div. degree in 1995, and a D.Min degree in Pastoral Counseling in 2009 from Phillips Theological Seminary.

An ordained elder in the United Methodist Church, Phyllis has served in the Kansas West Conference since 1990, first as Director of Christian Education at Derby Woodlawn UMC, and then as pastor of Winfield Grandview, Rose Hill, and Winfield First United Methodist Churches. She is currently the lead associate pastor at First United Methodist Church in Wichita, where she is primarily

Dr. Phyllis Provost

responsible for the pastoral care area.

As a biblical storyteller, she travels to a variety of groups, doing retreats and storytelling workshops and concerts, re-telling the biblical story in ways designed to make it fresh, new, and personal for each person there and helping them to receive God's Story as

their own. Her stories are published in The Storyteller's Companion to the Bible, Vol. 10: The Gospel of John, and Vol. 13: New Testament Women, as well as The Circuit Rider. They are also available on two CD's: "Phyllis" (which includes a group study guide) and "Women of the Word." A CD of guided meditations

called "A Quiet Place of Healing" is also available, which came out of her work in pastoral counseling.

Qualified and certified as a trainer in the Myers-Briggs Type Inventory, Phyllis assists couples preparing for marriage, families, groups and staffs in utilizing type preferences and family systems dynamics and understandings to better understand each other and work and grow together.

On the conference level, she currently serves on the Board of Ordained Ministry, works with that

group to provide psychological evaluation assessment interpretative sessions for clergy candidates, and leads a Clergywomen's Consultation Group through the Counseling and Mediation Center in Wichita. With a passion for the revitalization of churches, Phyllis is on the assessment team which meets with candidates who are feeling called to beginning new church starts. On a broader, ecumenical level, she serves as the ecumenical representative on the Regional Board of the Disciples of Christ in Kansas. She loves being an active part of her community and currently lives that out through serving as a tutor at Park Elementary School.

In addition to the blessing of being able to answer God's call to the ministry, her passions include theatre—both performing and watching, reading, writing, storytelling, Emmaus, and especially KU Basketball! Her favorite activities, however, center around family time with her 2 sons and their families, (particularly 5 phenomenal grandchildren!) and with spending time with her best friend and love of her life, Paul Saas. They are planning to marry in late June so when she arrives here, it will be as Dr. Phyllis Provost-Saas. Submitted by Dr. Phyllis Provost

Her life verse is from Micah 6:8 - *He has told you, O mortal, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?*

Wear Your Nametags!

A new Minister is coming!

Dr. Phyllis Provost will have 600+ names to learn, while we only have one! We have had nametags available for anyone wanting one for a few years at the Haysville United Methodist Church, but some nametags have languished on the racks for some time now. It is time to find them again, polish them up, and start wearing them at church services and other special events.

If anyone needs a nametag, forms are available at the bottom of the rack nearest the kitchen. Just fill one out, giving **exact** spelling, and place it in a collection plate or the Evangelism mailbox.

New nametags usually take 2-3 weeks to make, and will then be placed on the rack near the Chapel (it is less crowded.) You may then place them wherever you wish. Remember, we know each other, but the new minister does not!

candle lighters. We are in the process of reactivating our Acolyte program for the children. There will be a training for any child 1st grade and older who would like to participate in worship as a candle lighter. If your child is interested please sign up in the Gathering Area during April. You will be contacted about the training time and date.

Worship Note

Worship services begin promptly at 8:30 am and 11:00 am. Please end Sunday School by 10:45 am at the latest to ensure that our worship services begin on time.

Finance, *cont'd.*

Finance Ministry Team, believe that we are operating as lean as we possibly can. There is no fat to trim.

We are challenging each adult to give an additional \$10 per week toward the church budget. If you want to specify it for the Family Life Center, Missions and Ministry or the General Budget, it will be used accordingly.

If you can give more than \$10 per week per adult, please do so as there will be those who like the woman in the Parable gave all that she had but would not have an additional \$10 to give. Thank you.

Don McMillan, Finance Chair.

Remember those who served...

Memorial Day

Worship

Easter thanks to everyone who was a part of the Lenten and Easter services! It takes a whole team of "YES" people to make things happen, and we certainly have those kind of people at Haysville United Methodist Church! Each of you is a blessing to this church. Thank you!

May is a busy month with Mother's Day on May 8 with a special gift for all ladies. Graduation Sunday is on May 15, and Memorial Sunday will be observed on May 29. Please be sure to read the articles on each special day for more info.

Graduation Sunday

Graduation Sunday is May 15. If you or a family member is graduating from any type of educational program, turn in the name and

school and/or degree to the church office **by May 10** to have them recognized in the bulletin and worship service. We cannot recognize folks if we are unaware of their achievements.

Memorial Sunday

SERVICE OF Remembrance

Memorial Sunday is May 29. The Worship and Music team is planning a special way to remember and honor loved ones and we need your help. We would like to collect pictures of any of the loved ones our congregation would like to honor.

The pictures will be made into a

video with music to be presented on Memorial Sunday. The pictures need to be turned in, with a name, **by May 10** in order to make the video. There will be a basket in the Gathering Area for the pictures. Please be sure to have a name on the picture, so we can contact you if needed.

Acolyte Signup

What exactly is an "Acolyte?" An acolyte is a person who assists in the worship services, and who is learning about worship through their involvement in the services. At Haysville United Methodist Church, we use the term for our

Family Life Center

The date has been set for the Haysville United Methodist Church's Car Show! Mark your calendars for September 10!

Paul Jones is busy working on all the details and will soon need a lot of help (beyond the committee) to make this a success, so if you can help in any way, please let Paul know or put a note in the FLC box in the hall.

We continue to have Friday Movie Night. The faithful few that continue to come to see the movies makes this a success.

Adult Dodge Ball on Thursday still seems to have a lot of energy. The few and faithful ladies continue to Scrapbook on Thursday evening and have fun socializing.

The exercisers are still going on Tuesday and Thursday evening lead by David Carroll. Walking on Monday, Wednesday and Friday morning is taking a little break, but should be back soon.

If you want to use the Family Life Center for an event, please contact Evelyn King at 524-3754 or quilter_egk@cox.net to make arrangements and get on the calendar.

Summer is fast approaching; atten-

dance at events will determine if they continue through the summer or not.

Thank you for making all the activities held in the Family Life Center a great success.

Getting To Know Our Senior Citizens: Betty Turkle

Our Seniors...

Getting to Know

This month we are back with our second senior citizen, and it's Betty Turkle. Betty was born at Wichita Hospital on January 16, 1922. Her parents were Wayne and Mabel Stearns. She has two siblings, Wayne and Ruth (Stearns) Clark.

Betty went to school at the little school house that was south of Haysville that later became Dr. Palmer's Dental Office until the May 3, 1999 tornado. Betty attended Derby High School since Haysville didn't have a high school at the time. She then attended Friends University for one year.

Betty met her husband, Franklin Turkle, in high school. They were married on December 1, 1945. Franklin then went into the service and was gone for three and a half years.

In 1943, Betty began employment with the Haysville State Bank and worked there for 45 years until her retirement in 1988. While working at the bank, they had a daughter, Diana, and a son, Jon. She has two grandchildren and two step-grandchildren.

Betty said she started going to the "little white church" that was located on Grand. As a teenager, she was born again at a Revival at that church. Over the years some of the jobs she has done at Haysville United Methodist Church include Treasurer, Money Counter and she audited the financial books for several years. Betty continues to be part of UMW's Rebecca Circle, the Keystone Sunday School class and the Wednesday evening knitting group.

Some things Betty likes to do for relaxation and enjoyment are knitting, crocheting and reading. Unfortunately, she said her eyes won't let her do counted cross stitch any longer. Another thing she enjoys is

traveling. Betty has been to New Zealand, Korea and lots of different states. Frank and Betty once took a bus trip to New England to see all the colorful leaves. Let's not forget all the family trips to the cabin in Colorado. Betty says her favorite state she has visited is Alaska.

Betty says she felt closest to God when she lost her parents, especially her mom, who went in her sleep, and then again when she lost Franklin.

Some friendly advice Betty has for the youth of our church: First listen to your elders and learn from them; and secondly, stay involved in church your entire life.

Again, Betty Turkle is another Senior Citizen we are blessed to know and have as a member of the Haysville United Methodist Church!

Thanks

Thank you to the Haysville United Methodist Men for their sponsorship of a Boy Scout from Troop 893 to go to National Youth Leadership Training at Quivira Scout Ranch, May 30 - June 4, 2011.

And, to the church and especially the Haysville United Methodist Women for showing "radical hospitality" to the scouts and leaders that attended our Scout Sunday celebration last month. *Caid Adams*

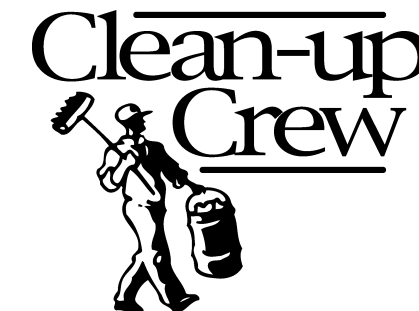

Trustees

Janitorial and Mowing Volunteers Applauded; Opportunities Still Exist!

Many thanks are in order to those groups that have volunteered to provide janitorial services to the church this year. So far the UMYF, Coffee with God class, Crusaders class, Music and Worship team, Kings Kids class, and Emmaus group have offered their services to keep our facilities clean and earn a little money for their projects at the same time. There is still an opportunity for other groups to take part in the program as we still need sign-ups for the months of June, August and October through December. Church groups can also earn project money by mowing our lawn later

this summer. The Haysville United Methodist Men and others will address mowing needs through July but volunteers are still needed from August through the end of the season.

See a Trustee or leave word in the church office if your group would like to be counted among those who can help with either janitorial or mowing needs. *Trustees*

Mission

Greeting to all from the Haysville United Methodist Church's Missions Ministry Team. We are very grateful for your kindness and generosity as we strive to be the hands and feet of Christ. The Food Pan-

try is currently in need of soup and boxed potatoes. Please bring place those items as you are able in the collection area located at the south entrance to the church. Also, May is Native American Awareness Month. Stay tuned for more information regarding recognition of this during the May 15 worship services. God bless you all!

Roger Mericle

Youth

Our main activity for the month of May is a **LOCK IN!**

It will be on Friday, May 13. We are still working out the details, but it will most likely involve Cosmic Bowling followed by games and food the rest of the night at the church. The final details will be emailed to all the parents. With warm weather coming, we will begin our hike/bike path cleanups again.

May is a busy time for our seniors, so please keep Sarah Lemmons and Cody Green in your prayers as they finish their high school years and head off to college!

Our Confirmation class is looking good! We have 5 youth who will begin classes soon. They are: Sydney Luongo, Scott Hunt, Paden Adams, Kolten Landreth and Mitchel Landreth. Wish them well when you see them around church!

Sandy Stout

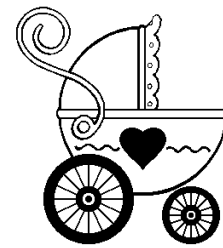

Finance

As you have no doubt have noticed from the bulletins, the giving for the year is substantially behind the amount needed to meet the budgeted goals set by the church membership at our charge conference in December, 2010. Our expenses for March, 2011 exceeded our giving by almost \$4,800.00. If we as a church are going to meet the goals set for Mission and Ministry, church growth and development, education, facility maintenance, etc., we must either revise our goals or find a way that we can give more.

Based on the budget requests submitted by the various ministry teams that were cut back to meet our budgeted goals, I as chair of the

Hymn Origins

Hymn Origins:
"Christ the Lord is Risen Today"

Charles Wesley, brother to John

Wesley who was the founder of the Methodist movement, wrote many hymns that we still sing today. His "Hymn For Easter Day" was composed in the year of 1739 and has eleven verses. Many church congregations sing it on Easter Sunday every year. Today we call the hymn by the title "Christ The Lord Is Risen Today," and it is probably one of Charles Wesley's most exuberant and well-known hymns.

JAMMERZ!

Things are coming together for the new music JAMM Group! The JAMM Group will meet weekly on Monday evenings at 7:45 pm in room E5 (choir.) I will be moving into the office across the hall from the Library and Chapel areas. This will give us better use of the choir room for both Hand Bells and the JAMM Group. There is a signup sheet in the Gathering Area if you are interested in participating in the JAMM Group. The JAMM Group is primarily geared for Middle School and Senior High kids, as well as young adults in their 20's and 30's and will be tailored with music fun and fellowship for them, though we will not turn away any-

one with an interest in developing the music ministry here at the church. The group will play both sacred and secular forms of music.

There are some items we are going to need to get the JAMM Group up and going; if anyone can donate or knows a good resource for amplifiers, we need a bass amp and a keyboard amp. The church owns a synthesizer and a bass guitar, but the only way to play those right now is to run through the sound system in the sanctuary so we really need amps if we are going to use either of them for the JAMM Group. If you can help with the amps or if you would like to donate time and / or money to get it started, please

Odyssey of the Mind

The Oatville Elementary school sent seven students to the Kansas State competition in the extra curricular program, "Odyssey of the Mind." Sabrina Luongo, a constituent of the Haysville United Methodist Church, was one of those seven students.

The team won 1st place in state and also won a second prestigious award, the Ranatra Fusca award! This award is the highest given through the OM program. It is given to only one team at state level, grade K-12, for exceptional creativity. The winning

Oatville Elementary team will compete at the World Finals in May at the University of Maryland. There will be approximately 30 countries at this competition!

For more information on this special event, please give me a call.

The U in Jesus

THE U IN JESUS

Before U were thought of or time had begun,
God stuck U in the name of His Son..
And each time U pray, you'll see it's true,
You can't spell out JesUs and not include U.
You're a pretty big part of His wonderful name,
For U, He was born; that's why He came.
And His great love for U is the reason He died.
It even takes U to spell crUcified.
Isn't it thrilling and splendidly grand
He rose from the dead, with U in His plan?
